

Welcome

to the Public Information Centre for

Highway 401 Reconstruction

Municipality of Chatham-Kent, County of Essex
Project Reference: GWP 3091-12-00

On behalf of the Ontario Ministry of Transportation (MTO) Stantec Consulting Ltd. is undertaking the Detailed Design and Class Environmental Assessment Study for the rehabilitation of Highway 401 for approximately 50 kilometres, from Victoria Road to 5 km west of Kent Bridge Road and from 5 km east of Bloomfield Road to Essex Road 42, in the Municipality of Chatham-Kent and the County of Essex.

Since this project is for a long section of Highway 401, the proposed improvements will be divided into separate construction contracts. Construction of the first contract is expected to begin in the Spring of 2015.

Please sign-in

*and take time to review the information,
or discuss any aspect of the project with
the study team members in attendance.*

Public Information Centre Objectives

The purpose of the Public Information Centre (PIC) is to present information on the project, including the construction staging and traffic management plan, and obtain comments.

The PIC provides interested stakeholders and members of the public an opportunity to:

- Participate in the study process
- Review the display materials presented, including the proposed rehabilitation strategy and the preferred construction staging and traffic management plan
- Ask questions and discuss issues and concerns related to the proposed undertaking directly with the study team
