## Integrated Accessibility Standards Regulation

The Ministry of Transportation, Ontario is committed to excellence in serving all customers and to ensuring the Class Environmental Assessment process is accessible to all participants.

This Public Information Centre incorporates the following accessibility features:

- Accessible location, including ramps, accessible washrooms and parking
- Reading aids are available, including magnifying glasses
- Presentation boards and displays printed in large, legible font
- Materials are available in print and digital format, upon request
- We welcome people with disabilities and their service animals

For people requiring assistance, study team members will:

- Verbally explain presentation board content
- Assist with written submission of comment forms

We welcome your feedback related to the accessibility of this event. Please speak to one of the study team members, call 416-598-7162 or email [maya.caron@stantec.com](mailto:maya.caron@stantec.com) with your comments.
